It is on my agenda for our January 4th meeting. I will speak to Art as to how we can structure this meeting. It would be better if Exalgo was a minimal/no part as if the participants perceive it to be a speaker program we will get minimal attendance.

Great idea though!

Kevin

Ohio is really getting hit. Perhaps a program sponsored by Medical Affairs would be appropriate?

Oops. We'll figure something out.

Jay -

It appears that as of November 22, 2011, Dr. Griffin lost his license.

He is the districts 10th largest prescriber and Matt's #2 writer of Exalgo.

Crap.
